

### HVAC Equipment - Polyslab® AC Mounting Base

- Polyslab® external air conditioner mounting base.
- Australian made from 100% recycled materials, makes it the best alternative to heavy concrete pads.
- Medium Polyslab® weighs in at only 2.4kg, a concrete slab of similar dimensions will weigh upwards of 49kg.
- Eco-friendly.
- UV resistant.
- Impact resistant.
- Ultra lightweight.
- Supports all split system air conditioning units.
- Fix equipment down without the risk of splitting a slab when drilling.

CODE	BRAND	CAT. CODE	DIMENSIONS L x W x D	WEIGHT	RATED LOAD CAPACITY
